## **OUTBACK TEXAS IS ABOUT BUILDING, RESTORING AND STRENGTHENING RELATIONSHIPS - BETWEEN COUPLES, PARENTS/TEENS, AND GOD**

Outback Texas is a non-denominational ministry inspired to enrich and renew relationships. Practical answers and day-to-day strategies to deal with difficult questions are presented by encouraging, energetic speakers and motivational dramas.

Outback Texas is about fun first. There are lots of activities during the weekend, and we'll make sure you have a big time while you're in "the outback."

The weekend experience is designed to give parents and teens, husbands and wives or college students a practical strategy for daily living, focusing on their relationship with God, their family, friends, church and community.

Outback Texas weekends happen during the fall and spring of each year. These weekends take place in Brenham, Texas.
